

Important Notice

JMMB Upgrade-Service Disruption

Effective **Saturday, February 5**, members will receive **card transaction alerts** from transactionalert@jmmb.com. Transaction alerts provide additional security protection against fraudulent transactions by notifying the client whenever their card is used.

Members are advised to immediately contact JMMB's **Client Care Centre at 868-800-5662 (TT)**, to have their cards restricted if a transaction is unfamiliar to them or if they suspect that their card may have been compromised.

To facilitate the implementation of these transaction alerts, usage of the JMMB Visa card will be temporarily unavailable on **Saturday, February 5, between 3:00 a.m. – 4:00 a.m (TT)**.

We apologize for any inconvenience this may cause.
